September 11th**

- OR -

**Drop Off Donations during business hours before
October 8th**

PLEASE DONATE!

This year your staff at FIRST PACE Credit Union will be participating in CU Forward Day! Promoting active volunteerism, random acts of kindness and giving back to our communities. The day is arranged by **The Minnesota Credit Union Network** to encourage credit unions to spread kindness on Monday, October 11.

FPCU staff will be giving back to our community by collecting Powdered Laundry Detergent and Laundry Pods to make packets that will be given out by **Neighbor's Inc** of South St. Paul. They will distribute the packs to community members in need.

We will also be collecting new or gently used Magazines, Books (coloring and activity books too!), CDs & DVDs to give to **Living Well** of Mendota Heights. They accept any mainstream magazines or catalogs, especially those with lots of pictures! They use them to just look through as well as for crafting and sensory activities.
